This month, we show you how to Customize your BlackBerry experience with tips and shortcuts Connect with New BlackBerry Messenger 5.0 Plus a contest for BlackBerry Storm smartphone owners Even More Tips, Tricks & Shortcuts! Last issue, we presented a collection of calling, customization, and messaging tips that would help you get even more from your BlackBerry® smartphone. Missed the article? You can read it here. This month, we cover taking pictures and videos, using your browser, and much more. Get Into BlackBerry Messenger 5.0 and Connect Like Never Before Add contacts with new bar codes feature, create Groups for connecting instantly with friends or family, share your videos, calendar, to-do lists and more! The new bar-code feature makes sharing your PIN a snap. Simply scan your friends' bar codes and they'll be added to your contact list. Plus, with new features like a display picture and the ability to see what music your friends are listening to, BlackBerry® Messenger makes it even easier to express yourself and stay in touch—your way. What's New: a.. S multiple pictures and videos at once b.. Send text messages from within the BlackBerry Messenger application c.. Create and connect with BlackBerry® Groups d.. Scan bar codes to add friends e.. See what music your friends are listening to f.. Personalize with a display picture BlackBerry Desktop Manager is now Compatible with Mac Mac users rejoice! A Research In Motion (RIM)—developed, full-featured desktop sync application for Macs is now available. And it has a look and feel that's similar to what you see on your Mac right now. Highlights include: a.. Two-way sync of contacts, calendar, tasks, iTunes® playlists and notes b.. Compatibility with iTunes® for music sync c.. Back up and restore functionality, including automatically scheduled backups and optional encryption d.. The ability to add and remove applications BlackBerry® Desktop Manager is the first app that gives you the ability to sync your BlackBerry smartphone with a variety of features on your Apple® computer. The app will run on Mac OS X 10.5.5 (Leopard) or higher and is available at www.blackberry.com/mac.
